

Our high quality polypropylene cable ties are available in black and come packed in 100's. These ties are less hydroscopic than their standard equivalents and offer excellent resistance to solvents and chemicals. Polypropylene material is also widely recyclable and due to its low density can float on water. They can be tightened by hand or using one of our tensioning tools.

#### Colours Available:

■ Black

#### Material Specification:

- Material: Polypropylene
- Flammability Rating: UL94HB
- Working Temperature: -20°C to +75°C
- Excellent resistance to solvents and acids.
- Resin meets the FDA requirements in the Code of Federal Regulations in 21 CFR 177.1520 for food contact.

#### Strength Specification:

- 2.5mm Wide Cable Ties – 5.1kg
- 3.6mm Wide Cable Ties – 8.2kg
- 4.8mm Wide Cable Ties – 13.8kg
- 7.6mm Wide Cable Ties – 23.5kg
